Pastor's Corner

On Tuesday, June 24th I will celebrate the 25th Anniversary of my ordination to the Priesthood and next weekend I will be at my home parish of St. Joseph's in Wapakoneta to celebrate with my family and parish community. The pictures that I am sharing with you are from my first birthday, first communion and first Mass of Thanksgiving. Anniversaries offer us opportunities to reflect back upon the past, to celebrate the present and to look forward in hope to what is yet to be.

In today's reading from the Book of Deuteronomy, Moses was encouraging the Israelite community to remember their ancestors and the challenges they faced as they wandered for forty years in the desert. They could see that God cared for them by giving them food and water, protecting them on their journey. As we remember the sacrifices of our ancestors we recall that their journey, like ours, can at times feel like a desert experience, those times of illness, spiritual emptiness, death, loss of a job or any time of insecurity. Just as God was faithful in the past, providing for the needs of the Israelites and our ancestors in faith, God provides for our needs through the desert times of our lives giving us his Body and Blood to keep us strong.

In the hymn *Pange Lingua*, composed by St. Thomas Aquinas we hear a truth from our profession of faith that it is Jesus who gives himself to us as food with his own hands. "The Word made flesh by his own word makes—true bread, become His flesh." God, who by His work created the universe and all that is in it; that same living Word of God transforms the elements of bread and wine into the Body and Blood of Christ. In doing this Jesus wanted to assure His disciples and all of us that he would be with us forever walking with us through the desert times of life as well as in our days of joy. And not only that. As we receive this gift we are to become what we receive! Just as Christ poured out his life blood in loving service we must do the same.

Looking back into my own life I can see how the hand of God guided and protected me through the joys and sorrows of life. My early assignments in parish ministry taught me that I did not have to have all of the answers to life's problems; that God is God and I'm not. For five years I served as Director of Vocation Ministry for our Province which was a time of grace to walk with other young people who were seeking to respond to a call to religious life. In 1998 I was elected to the position of Provincial Director of the Cincinnati Province and served in that capacity for 12 years. Being a minister to the ministers during those years helped me to see and appreciate the many ways that God was using our missionaries to help others find healing and strength through the gift of the Precious Blood of Jesus.

As we receive the Body and Blood of Jesus today may we be aware that the Real Presence of Jesus is with us to fill our every need and to strengthen us so that we may respond like Christ to whatever comes our way today, building up the Body of Christ. On this special anniversary I am grateful for the support and prayers that all of you have offered for me. This is a gift from the Lord and an example of the living Body of Christ.
