The prayers and the blessing with holy oils is a beautiful sacrament in our Catholic Church. Many graces and blessings are given to all those who receive this sacrament.

## *World Mission Sunday - Today*

On World Mission Sunday, Catholics of the world unite at Mass to recommit ourselves to our vocation, through Baptism, to be missionaries. The Church's missionary activity begins with the proclamation of faith: "Jesus is Lord!" He is our common hope - a hope that saves. On World Mission Sunday, we are called in a special way to be "missionaries of faith" through prayer and participation in the Eucharist, and by giving generously to the collection.

## *Memorial Mass for Fr. Lou— Next Sunday*

## *Pastor's Corner*

October 21st is the Feast of St. Gaspar del Buffalo, the Founder of the Missionaries of the Precious Blood. In honor of his feast day the bulletin reflection will focus on the life of this great missionary of the Blood of Christ.

Gaspar del Bufalo was born in Rome on January 6, 1786. His father, Antonio, was a servant in the Altieri Palace in the heart of the City. Across the street from the palace is the famous Church of the Gesù, the mother church of the Jesuits. The church holds a famous relic of St. Francis Xavier that would prove important in Gaspar's early years. As an infant, Gaspar nearly lost his sight during a bout of small pox. His mother, Annunziata, invoked the intercession of St. Francis Xavier for a cure for Gaspar and this was granted. Thus began a lifelong affinity between Gaspar and his model missionary.

Early in his life, Gaspar showed a great concern for the poor and sick. He spent his summer vacations as a youth visiting hospitals and bringing meals to the hungry. When he was eighteen, Gaspar exhibited one of his greatest gifts: organizing for action on behalf of the 'people on the fringe.' Together with some of his classmates, Gaspar ministered to the marginalized: offering religious instruction to the peasants from rural areas who came to Rome to sell their hay; providing catechism for orphans and children of the poor; and setting up a night shelter for the homeless. This love of working for the marginalized would serve him later after his ordination on July 31, 1808.

At the invitation of Fr. Francesco Albertini, Gaspar preached at the founding of the Confraternity of the Most Precious Blood (later to be given the title Archconfraternity) on December 8, 1808. Fr. Albertini was a trusted and devoted friend and became Gaspar's spiritual director for most of his life.

In the spring of 1809, Napoleon suppressed the Papal States. Pope Pius VII was arrested and transported to Savona. On June 13, 1810 Gaspar was brought before the magistrate to take the oath of allegiance to the emperor but Gaspar told the magistrate, "I would rather die or suffer evil than to take such an oath. I cannot. I must not. I will not."

For the courage of his conviction, Gaspar was sentenced to prison and exiled first to Imola, then Rocca di Lugo and Bologna. During this difficult time Gaspar spent hours in prayer and contemplation. Inspired by another priest-prisoner, Francesco Albertini, he came to hear a call from God to found a community dedicated to the Precious Blood. (To be continued next week.)
