St. Joseph Update

World Mission Sunday

Next weekend our parish will celebrate World Mission Sunday. This year we are invited to reach out and help build the Church in Mongolia, the world's youngest Catholic Church, as well as local churches throughout the Missions, in the most remote areas across our world. Through the work of these churches, and their witness to Christ, the poor receive practical help and experience God's love and mercy, His hope and peace. Please keep the Missions in your daily prayers. Please come prepared next weekend to give generously in the collection for the Society for the Propagation of the Faith. For more information, please visit www.IAmAMissionary.org.

Coffee and Donuts

Join us today following the 10:00 Mass for coffee and donuts in the school cafeteria.

CPPS Blood Drive

Will you share what is most precious? "The life of a living body is in its blood," we read in Leviticus 17:11. We have the opportunity every day to donate that which is most precious to us, a portion of our life, our blood, to others. Because we will never know who receives it, it is the ultimate gift. One could even see it as an imitation of Christ, who poured out his Blood for us.

As part of the jubilee/celebration of their 200th anniversary in 2015, the Missionaries of the Precious Blood, who minister in this parish, are organizing a blood drive and we hope the parishioners of Region 7 will participate. Our founder, St. Gaspar del Bufalo, once said that he wished he had a thousand tongues to proclaim the Precious Blood of Jesus. We want to gather a thousand units of blood during our jubilee year as a way to thank God for the blessings he has given us, and to share those blessings with others in need.

Our blood drive will take place on **October 21, 2014 at the Community Blood Center at 349 S. Main Street, Dayton**. Their friendly and professional staff will take good care of you—and enable you to take care of others. Sign-up sheets are posted in the back of church or you can register on-line at the Blood Center website. Please help us pass along God's blessings to others by being part of our blood drive!

Pastor's Corner

The Rosary

Traditionally in our Church the months of May and October are times for praying the Rosary. One of the many opportunities to pray the Rosary will happen this coming Sunday, Oct. 12, at the University of Dayton Arena. A choral presentation will begin at 2:30 and the rosary will be said at 3:00pm with Archbishop Dennis Schnurr leading the prayer. Of course there are many other opportunities to pray the rosary throughout the week. Our parishes of Region 7 often pray the rosary before or after the Sunday and daily Mass. Likewise the rosary is often said whenever there is Eucharistic adoration. At the Pleiman household in October all the family members prayed the rosary after the evening meal. The animals had to wait to be fed and the cows patiently waited to get milked on those evenings.

This week we celebrated the Feast of Our Lady of the Rosary, so maybe it's a good time to look more closely at this devotion. Some authors write that the rosary developed gradually, over time, with a special prayer emphasis on Mary after the Council of Ephesus in 431. Others believe that Mary presented the rosary to St. Dominic around 1200 and entrusted him with the spread of the devotion. There is one historical event that saw the devotion of the rosary increase tremendously. Pope Pius V, asked the faithful to beg for Mary's intercession at the naval Battle of Lepanto by praying the rosary. That victory on Oct. 7, 1571, halted the spread of the Ottoman Empire into Europe and Pope Pius V then established in the Church's liturgical calendar, the Feast of Our Lady of Victory, later to be named, Our Lady of the Rosary. For 500 years the rosary has basically remained the same, until in 2002 when Pope St. John Paul II added the Luminous Mysteries to the already prayed Joyful, Sorrowful, and Glorious Mysteries of the Rosary.

The focus of the rosary begins with Mary, but the reflections highlight Christ's life on earth. The rosary contains the key faith life of the Church that are proclaimed in our Creed. Pope Benedict the XVI said that the rosary holds the "Important Moments of Salvation History, and that it is a formative component for developing the spiritual life." The rosary studies the life of Christ from the Incarnation to his mother's joining him as queen of heaven. It is a sure pathway to Christ through the life of Mary. Through Mary we place all our present needs before Christ.

When we pray the rosary, we are sitting at Jesus' feet like Mary, listening to him and learning from him. It is a prayer for the young and old, rich and poor, wise and simple. Our Lady of the Rosary, pray for us.
Fr. Ken
