### Message from Archbishop Schnurr DEFUND PLANNED PARENTHOOD!

Recently released videos in which officials of Planned Parenthood traffic in human organs, tissues, and body parts from their abortion clinics are chilling and appalling. They display a callous disrespect for human life. I urge Catholics and all people of good will to write to their representatives in state and national government, asking them to stop the flow of your tax dollars to Planned Parenthood. The United States Conference of Catholic Bishops has supported defunding for many years. Planned Parenthood received more than \$1.3 million in state funds from Ohio and \$500 million in federal funds in fiscal 2013-2014.

Please also support a pro-life pregnancy center that helps women in unintended pregnancies, providing many needed services. You can find a list of them at <http://www.catholiccincinnati.org/ministries-offices/family-life/respect-life/pregnancy-coalition-resource-page/> If you have had or participated in an abortion and suffer remorse, please know that the Church's post-abortion healing ministry, Project Rachel, stands ready to offer compassionate assistance. Learn more about Project Rachel at [www.projectrachelcincy.com](http://www.projectrachelcincy.com).

### **The 200th Anniversary of the Founding of the Missionaries of the Precious Blood**

This weekend Fr. Angelo, Fr. Ken, Br. Matt and the other members of their Mission House here in Dayton are gathered at St. Charles Center, Carthagena Ohio to celebrate and give thanks to God for the blessings of 200 years of ministry in the name of the Precious Blood of Jesus. The Missionaries of the Precious Blood were founded in Italy in 1815 by St. Gaspar del Bufalo. St. Gaspar was a Roman-born priest who was small in stature but blessed with boundless energy to carry out God's work. A visionary and preacher who had a gift of persuading people to follow his seemingly outlandish dreams, Gaspar secured an abandoned tenth-century abbey near Giano, Italy. On August 15, 1815, this became the birthplace of the Congregation of the Most Precious Blood (C.P.P.S. the initials of their Latin title: Congregatio Pretiosissimi Sanguinis).

Gaspar's small band of Missionaries worked among the country people of Italy. They staged parish missions where they preached day and night, in churches, on street corners and anywhere else that people congregated. They dedicated their lives to renewing a Church that had been battered and rejected during Napoleon's invasion of Italy.

From town to town, St. Gaspar and his Missionaries traveled, spreading the Good News that Jesus gave his Precious Blood to save the world. They reached out to those who felt lost or abandoned, to the sick and suffering, to those in hospitals and prisons. The Missionaries first came to North America in 1844, led by Swiss-born Fr. Francis de Sales Brunner, C.P.P.S. They had been invited by Archbishop John Baptist Purcell of the Archdiocese of Cincinnati, who needed priests and brothers to minister to the German-speaking Catholic settlers along Ohio's western border.

Fr. Brunner led his small group of Missionaries to found parishes and mission houses throughout Ohio and Indiana. While the priests served in parishes, the brothers performed the back-breaking labor of clearing the land and building eligible houses at 10 different locations.

Fr. Brunner never had a spare nickel, and his priests were criticized because some thought them undereducated. Yet Fr. Brunner and the Missionaries who followed him founded dozens of Precious Blood parishes, as well as the Sorrowful Mother Shrine in Bellevue, Ohio. Missionaries also established two colleges, Saint Joseph's College in Rensselaer, Ind., and Calumet College of St. Joseph in Whiting, Ind. From the United States, the Missionaries went on to serve in Chile, Peru, Central America and Colombia.

The Precious Blood family also includes 500 lay associates in the U.S., called Companions, and Amici, former members and/or those who were educated or formed by the Missionaries. With a worldwide headquarters in Rome, Missionaries serve in 20 countries around the globe. "Glory to the Blood of Jesus — now and forever."

Fr. Angelo
