## PASTOR'S PEN

As we read the gospels it is not uncommon for a crowd to gather around Jesus. For some reason the people are attracted to him. Often times the crowd comes to Jesus and he teaches the crowd. Other times people are attracted to Jesus because of his ability to heal people. Last week the reason the crowd gathered was because of the "signs he was performing on the sick" (John 6:2). Today the crowd goes in search of Jesus not for teaching or healing, but because Jesus said that they "ate the loaves and were filled" (John 6:26). Jesus fed them.

"If you feed them they will come." By enlarge I would say most of us are familiar with this phrase. I would venture to guess that in most of our kitchens and dining rooms these words are not on display. But for the person cooking the meal in the home, he or she has these words in his or her mind.

"If you feed them they will come". As I reflect on this phrase I am reminded of the various ways that food brings people together. I come from a rather large extended family of aunts, uncles, and cousins. Throughout the year we get together for various holiday parties and if I were to pick a time when most of the people are there it is at meal time. For a boss trying to motivate workers to come together for a meeting, probably the best way to get everyone there is to buy them lunch. Or on a college campus if you want to get the students to come to an event, a key motivator often is offering free food and they will be there.

"If you feed them they will come". Food brings people together. Why? For us to live and for our bodies to function properly we need to eat food. So, when we feed them we are helping to sustain the lives of those we feed. Food sustains our lives physically, but I would also argue that food has the capability of not only physically sustaining our lives but also has the capability in other ways of sustaining our lives. I mean often times when people eat together it is here that relationships are created and are sustained.

Last week I presided at a wedding and at the reception they had coolie cups with the phrase "it all started with an ice-cold beverage". It is from the sharing of this ice-cold beverage that this relationship began and now this couple are husband and wife.

Or I think of the great value there is in a family sharing a meal together. It is through the sharing of food that the bonds of the family relationships get sustained. The life of the family is revitalized.

Or I think of those times we gather as parish communities to share food. I think about coffee and donuts at St. Joe that has evolved to coffee and brunch with parishioners providing other foods. Or I think of coffee and donuts at Emmanuel with the young children running and playing in the basement. Or at Holy Trinity for the soup and bread dinners during Lent with the variety of different soups that parishioners have made. Whether it is at St. Joseph, Holy Trinity or Emmanuel we have these gatherings under the hope that if we, 'Feed them and they will come'. But we feed with hope not only physically nourishing our bodies but also with the hope of building relationships in our parishes.

As we read the gospel we hear pretty regularly of a crowd gathering around Jesus. Some may say it is because of his teaching ability, his healing ability, or because they ate the loaves and were filled. These are reasons of gathering but ultimately they are seeking a relationship with Jesus. A crowd gathers in our churches each week for many different reasons but ultimately we long to be in a relationship with our God.

## REGION ANNOUNCEMENTS

**FORMED Pick of the Week:** The Bible and the Virgin Mary is a dynamic twelve-part video series that beautifully explains the Catholic truths about Our Lady, showing how she has been a part of God's plan to bring salvation to the world since the beginning of time. In addition to explanation of dogmas, answers to common objections, and demonstration of Mary's presence in the Old and New Testaments, this study discusses Church-approved Marian apparitions that play an important role in Catholic Tradition. It's sure to help Catholics and non-Catholics alike grow in an understanding and appreciation of the Mother of God. To access the FORMED website, go to [Formed.org](http://Formed.org) and login using our parish code: FZ4VY9 (All upper-case letters).

**The U.S. bishops** urge our participation each Friday in a nationwide Novena for the Legal Protection of Human Life, August 3–

September 28. Participants will receive weekly email or text reminders to pray and fast, along with little-known facts about Roe v. Wade to share with others. Sign up at [www.usccb.org/pray/](http://www.usccb.org/pray/)!

**2018 Missionary Appeal Weekend August 25-26th.** This year our pastoral region has been assigned the International Help of Missionaries (IHM) organization to make their appeal for support. Donna Goddard and Barbara Wuest, will be with us from the Ohio Chapter of IHM. Barbara writes "We are grateful to have the opportunity to speak to you on August 25/26 about the needs for fresh water sources in Ghana, West Africa. In many locations there is no electricity, no clean water, no transportation, no medical facilities. While we are in economic hard times, these people have no chance of improving their lives without help from outside sources—you and me. 100% of your donation goes to IHM. Please be as generous as your budget will allow. Thank you.

### August Marriage Uncorked!

Remember the movie "Ghost." Now you and your spouse have a second chance to create a work of art together with clay! The July event was postponed until August 11, when Erin Lambers will lead us through a few ice breaking events as we grow closer with our teamwork (or lack thereof?) to create a piece of pottery with your spouse. Either way you will have a piece that is functional (we hope) and permanent to remind you of the love you have for each other. August Marriage Uncorked will take place from 6:30 - 10:00 p.m. at the ceramics studio of Erin and Ben Lambers, Cornell Studio Supply, 8290 N Dixie Dr, Dayton.

There is no babysitting available and the end time is extended until 10:00pm. There is also very limited space for only 10 couples, so please reserve your spot by emailing Rachel Bond at [rachelsaxx@hotmail.com](mailto:rachelsaxx@hotmail.com) who will let you know if you are one of the first ten respondents or will have a spot on the waiting list. As always, bring an appetizer or sweet to share. We will provide the wine and festivities!

On the second Saturday of each month we alternate between a social event and a formational event designed for fun and enrichment of your marriage.

**Farewell for Mr. Gary Geisel!** The weekend of August 25-26th will be the final weekend Mr. Geisel will serve as the Director of Music at Emmanuel Church. As announced in May, Mr. Geisel has made the decision to retire from his position at Emmanuel after over 20 years of distinguished service. A retirement celebration is being planned for Mr. Geisel that will take place on Sunday, August 26th after the 10:30 Mass. A smaller recognition is being planned following the 5:15 Mass on August 25th. Parishioners are encouraged to write a note of thanks, share a memory or offer a written prayer of blessing to place in a wishing well basket at his reception. Please plan to join us in honoring this faithful musician who played a vital role in helping us to offer our prayer of praise to the Lord.

#### St. Philip Neri and St. Charles Borromeo are two saints studied in True Reformers: Saints of the Catholic Reformation.

St. Philip is called the Apostle of Rome as that city was ravaged by war and wearied by the decadence of the Renaissance popes. St. Charles is called the Good Shepherd who spent himself in the service of his flock preferring to reform the archdiocese of Milan to the pampered life of a prince. Learn more about these and other saints in the Augustine Institute study at Emmanuel's Education Center beginning in September. Flyers are in the back of church.
