

Announcing!

New 2018 Parish Directory for St. Joseph Parish

Our last parish directory was published in 2010 and since that time we have had many new members join the parish. This is a great time to create a new parish directory and for you to have an opportunity to have your family's picture taken for free in time for the holidays.

Lifetouch Photography will take our photographs and assemble the parish directory. Each household that has a photo session will receive a free 8x10 portrait and the opportunity to purchase photos for family and friends. If it has been a long time since you or your family have had a professional photo taken, now is the time to capture a memory for future generations. Registration begins next weekend. Online registration starts the week of September 10th.

Photography sessions will be held
October 23, 24, 25 & November 1 & 2 from 2-9pm
On November 3 from 10:00am to 5pm
(Check your calendar for the date that works best for you)

- Military Personnel, First Responders and Senior Citizens age 60+ will receive 20% off the purchase of any Lifetouch portraits and frames.
- Each household that has a photo session will receive a free 8X10 portrait.
- There is no obligation to purchase portraits.
- Intergenerational portraits are available to include parents, children, grandchildren and great grandchildren.
- If you have a special pet, they can be included in your photo session.
- \$5 GIVE BACK promotion. If a family donates \$5 to the church's mission, Lifetouch will take \$5 off their portrait order.
- Great gift idea for Christmas! Photos will be mailed to your home approximately 3 weeks after you place your order with Lifetouch. Non-parishioners are welcome to have their picture taken too.

For further information or assistance with registration please contact the parish office at
