## FR. MATT'S REFLECTION

Today we celebrate the Solemnity of the Most Holy Trinity, Our God who is Father, Son, and Holy Spirit, three persons, yet one God.

Holy Trinity is the name of one of the parishes in our pastoral region and they celebrate today's Solemnity in a special way. The Holy Trinity is invoked at baptism as the minister says "I baptize you, in the name of the Father, and of the Son, and of the Holy Spirit" pouring water three times for each person of the Trinity. The Holy Trinity is interwoven and sang in praise in many of the hymns that we sing at Mass. The Holy Trinity is remembered in one simple prayer, one prayer that gets prayed so often, prayed for so many different reasons, a prayer that has changed so many lives; it is such a simple prayer that it was the first prayer that many of us learned and it goes like this... "In the name of the Father, and of the Son, and of the Holy Spirit."

The Holy Trinity plays such an important role in our lives, yet it is so complicated, I mean how can our God be Father, Son, and Holy Spirit all at the same time? The Trinity is a mystery of the Church that is really never completely understood. At the same time theologians throughout the history of the Church have given numerous explanations on how the Holy Trinity works. Theologians throughout history have been able to expand one's understanding of the Holy Trinity and at other times theologians will disagree with each other on their understanding of the Trinity.

Theologians say there is a large number of heresies one can commit when talking about the Holy Trinity. As I went through seminary I took a course on the Trinity, and in the course I studied several documents and different views on the Trinity. I passed the course, but to be honest, I found studying these documents difficult and in some ways they were boring. As a matter of fact, I had trouble paying attention to what I was reading and staying awake when reading them. At the end of day, I believe the important thing is not about understanding this mystery, rather it is about believing, having, and developing a relationship with the Holy Trinity. Sometimes I think we can get so caught in the small details that we can lose sight of the bigger picture. For example, when I celebrate Mass, I can get caught up on rubrics and the minor details on what I am supposed to do that I sometimes find it hard to pray.

Our scriptures today focus not on understanding the Trinity but rather on the more important detail of believing and having a relationship with God. We read those famous words from John, "God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life" (John 3:16). We are promised eternal life not based upon what we understand but because of what we believe. It is through our belief in God who is Father, Son, and Holy Spirit that we are promised eternal life. It is in our belief that we develop a relationship with our God. And, it is through this development that we gain some small understanding of the Holy Trinity.

As we celebrate this solemnity let's not focus on what we do or do not understand about this mystery, rather on what we believe and how we can develop and strengthen the relationship that we have with our God.

## REGIONAL ANNOUNCEMENTS

### Lenten Pilgrimage

The past 12 weeks of the Lenten/Easter season has generated lots of miles and prayers, even as we encountered difficult challenges. The Region 7 Health Commission wants to thank all who participated. We know our parishioners had countless unreported prayer and exercise miles.

We completed 154 exercise miles and 280 spiritual miles this week. Our grand total for the 2020 Lenten Pilgrimage is 5,902 miles, very close to the 6,451 goal. Congratulations to all who participated in this annual Pilgrimage.

## MESSAGE FROM ARCHBISHOP SCHNURR

In a recent letter responding to the senseless and brutal killing of George Floyd, Archbishop Schnurr noted, "The divisions that continue to plague our human family call all of us to a genuine conversion of heart, a conversion that will compel change and ultimately reform our institutions and society. As Catholics, we are called to radiate the love of Christ to all people and to be witnesses to His kingdom on earth. We need to look deep within ourselves, in prayerful humility, and ask our Lord to remove any vestige of prejudice or hatred from our hearts, any sinful inclination that keeps us from loving as He does. The dignity and sanctity of each person, without exception, is inherent and permanent, and is to be respected from conception to natural death." The following prayer for conversion is offered for our use during these difficult times.

We thank you, O Lord,  
For in your loving wisdom  
You created one human family  
With a diversity  
That enriches our communities.

We pray to you, O Lord,  
That we always recognize  
each member of this human family  
As being made in your image and beloved by you,  
With worth and dignity.

We pray to you, O Lord,  
That we may envision a way forward  
To heal the racial divisions  
That deny human dignity and  
the bonds between all human beings.

We pray to you, O Lord  
That we may affirm each person's dignity  
Through fair access for all  
To economic opportunity, housing,  
Education, and employment.

We pray to you, O Lord,  
That we may have eyes to see  
What is possible when we reach out  
Beyond fear, beyond anger,  
To hold the hand of our sisters, our brothers.

We thank you, O Lord,  
For your call and challenge to us  
That we may reveal your teachings and your love  
Through our actions to end racism  
And to proclaim that we are all your children,  
heirs to your sacred creation. Amen.

**St. Joseph parishioner Phyllis Monnin** died on May 12th. Her family is having a memorial service on June 20th at 10:00 at Holy Trinity Church. May she rest in peace.

### June is the month of the Sacred Heart

The earliest devotion to the heart of Jesus goes back to the 11th and 12th centuries. In the 17th century, a Sister of the Visitation, St. Margaret Mary Alacoque experienced four visions in which Christ revealed his love and mercy for all humanity through his Sacred Heart. Jesus once told St. Margaret Mary, "Without me you can do nothing, but I will never let you lack help as long as you keep your weakness and nothingness buried in My strength." This is the Act of Consecration of the Sacred Heart that she used to encourage devotion to the Sacred Heart of Jesus. Our hearts are connected to the Sacred Heart of Jesus when they are rooted and grounded in love. Only through generous acts of charity can we begin grasp the depth of love that is found in the Heart of Jesus.

**We have many openings for Masses** during the week. If you would like to have Masses offered for living or deceased family and friends please call the rectory 937-228-9272.

**We've removed all the missalette**s from the pews and put them at the back of church for anyone who wishes to take one home. If you want you can bring it to church each week but you need to take it back home each time.

*Please keep the following people in your prayers.*
