We Represent Jesus

I know being a priest means that I am held to a higher standard. That I must teach the gospel, even if people do not want to hear it. I know that I am not called to be everybody's buddy. But that I have a mission to proclaim the death and resurrection of Jesus Christ. To also announce Jesus's second coming. You all are called to be Jesus's disciples in the world. We will all be judged by Jesus at the end of this life. We are to take care of ourselves so that we can take care of others. But we cannot be too narcissistic and to self comforting. We represent Jesus, we speak of Jesus in the world, and we are busy about the work of Jesus until his second coming or our own death. That is our role if you have been baptized. That is how we will be judged. At the end, there are three things, heaven, hell, and purgatory. Let us always keep our death in mind.

From the Pastor's Desk

In the first reading today, we see that the priests are being warned by God. The priests are making distinctions among the people. They are not following the commandments. In the gospel, we see that Jesus is singling out the Pharisees.

"They tie up heavy burdens hard to carry and lay them on people's shoulders, but they will not lift a finger to move them. All their works are performed to be seen. They widen their phylacteries and lengthen their tassels. They love places of honor at banquets, seats of honor in synagogues, greetings in marketplaces, and the salutation 'Rabbi.'"

To Our Departed

Let us also pray for those who have died. The dead rely upon our prayers, especially those in purgatory. They are begging for just one drop of your prayers. Do not deny them your intercession. Jesus, have mercy on all the dead. Jesus, please let us be with you in heaven for eternity. Our Lady of Fatima pray for us. Saint Joseph patron of the dying pray for us all you. Holy angels and saints of God pray for us.

Thank you,

Fr. Anthony Fortman C.P.P.S.

Connecting Our Family

From the Communications Manager

For St. Gaspar Family of Parishes

We've decided to introduce a feature with two distinct sections: 'Precious Blood, St. Paul, and St. Rita News' and 'Emmanuel, Holy Trinity, and St. Joseph News.' All the events listed on these pages will be open to the entire Family of Parishes. However, there are instances when certain efforts are parish-specific. To eliminate any confusion about where to direct your time, talents and treasure, we will list these parish-specific activities on these dedicated pages.

Issue 1 Ballot

The following is the language you will see on the upcoming ballot on November 7

Issue 1

A Self-Executing Amendment Relating to Abortion and Other Reproductive Decisions

Proposed Constitutional Amendment

Proposed by Initiative Petition

*To enact Section 22 of Article I of the Constitution of the State of Ohio
A majority yes vote is necessary for the amendment to pass.*

The proposed amendment would:

- Establish in the Constitution of the State of Ohio an individual right to one's own reproductive medical treatment, including but not limited to abortion;
- Create legal protections for any person or entity that assists a person with receiving reproductive medical treatment, including but not limited to abortion;
- Prohibit the State from directly or indirectly burdening, penalizing, or prohibiting abortion before an unborn child is determined to be viable, unless the State demonstrates that it is using the least restrictive means;
- Grant a pregnant woman's treating physician the authority to determine, on a case-by-case basis, whether an unborn child is viable;
- Only allow the State to prohibit an abortion after an unborn child is determined by a pregnant woman's treating physician to be viable and only if the physician does not consider the abortion necessary to protect the pregnant woman's life or health; and
- Always allow an unborn child to be aborted at any stage of pregnancy, regardless of viability if, in the treating physician's determination, the abortion is necessary to protect the pregnant woman's life or health.

If passed, the amendment will become effective 30 days after the election.

WHERE DOES IT SAY THAT?

THIS CONSTITUTIONAL AMENDMENT...

THREATENS PARENTAL RIGHTS

By using "individual" instead of adult or woman, anyone under the age of 18 could have an abortion or make any other reproductive decision without their parents' consent or notification.

PUTS WOMEN AT RISK

Current Ohio laws* require abortion providers to explain procedure risks and ensure access to hospital transfer if needed. These health and safety standards could be seen as a "burden" and be eliminated, making it even less safe for women seeking an abortion.

ALLOWS ABORTIONS THROUGH 9 MONTHS OF PREGNANCY

In U.S. law,** "health" includes age or physical, emotional, or psychological well-being. This means a woman's age or emotional health could be cited to justify aborting a full-term baby. An abortion-providing physician would decide when a baby could survive outside the womb, leaving no clear protections for preborn children.

IS MISLEADING

Referring to "miscarriage care" promotes a myth that a "right to abortion" is necessary to preserve care for miscarriages and ectopic pregnancies. This is false. Catholic hospitals have always provided comprehensive miscarriage care and will continue to do so regardless of the outcome of this vote.

ARTICLE I, SECTION 22

The Right to Reproductive Freedom with Protections for Health and Safety

1. Every individual has a right to make and carry out one's own reproductive decisions, including but not limited to decisions on contraception, fertility treatment, continuing one's own pregnancy, miscarriage care, and abortion.
2. The State shall not, directly or indirectly, burden, penalize, prohibit, interfere with, or discriminate against either an individual's voluntary exercise of this right or a person or entity that assists an individual exercising this right, unless the State demonstrates that it is using the least restrictive means to advance the individual's health in accordance with widely accepted and evidence-based standards of care.
3. However, abortion may be prohibited after fetal viability. But in no case may such an abortion be prohibited if in the professional judgment of the pregnant patient's treating physician it is necessary to protect the pregnant patient's life or health.
4. As used in this Section, "Fetal viability" means "the point in a pregnancy when, in the professional judgment of the pregnant patient's treating physician, the fetus has a significant likelihood of survival outside the uterus with reasonable measures. This is determined on a case-by-case basis"; and "State" includes any governmental entity and political subdivision.
5. This Section is self-executing.

FREQUENTLY ASKED QUESTIONS ABOUT ISSUE 1

What is Issue 1?

Issue 1 is a proposed amendment to the Ohio Constitution that would endanger the health and safety of women, threaten parental rights, and allow for abortion through all nine months of pregnancy. Ohioans will vote on November 7, 2023, whether to make this change to the Ohio Constitution.

What would Issue 1 do?

Put women at risk:

- **Health and safety standards in Ohio could be eliminated.** Doctors could no longer need to examine a woman or explain the risks of the abortion procedure ahead of time.

Threaten parental rights:

- **A fifteen-year-old could have an abortion without her parents knowing.** Current Ohio law requires parental notification and consent before a child under 18 can obtain an abortion. These parental right protections could be removed as they directly conflict with the amendment which would allow all individuals, including minors, to make their own reproductive decisions.

Allow for abortions of fully formed babies:

- **Abortion would be legal through all 9 months of pregnancy.** Physicians at an abortion clinic could use a woman's age or emotional well-being as a reason to perform an abortion in the 3rd trimester.

See "[Where Does it Say That?](#)" for specific information.

Would abortion be illegal in Ohio if Issue 1 does not pass?

If Issue 1 does not pass, abortion would still be legal in Ohio until a baby's heartbeat can be detected. This standard was challenged in court and placed on hold, allowing for abortions up to 22 weeks as of September 15, 2023. Current laws that protect the safety of women and parental rights would stay in effect.

Doesn't Issue 1 simply restore Ohio back to when Roe v. Wade was in effect?

Issue 1 goes dangerously beyond what was legalized in the Roe v. Wade ruling. It opens the door to remove important health and safety measures that protect women, threatens parental consent and notification of any minor seeking an abortion, and allows for abortion through all nine months of pregnancy.

Paid for by: Catholic Conference of Ohio

Will miscarriage care or ectopic pregnancy treatment be denied if Issue 1 fails?

The passing or failure of Issue 1 will have no effect on the care a pregnant woman receives when her life is in danger, even if the treatment results in the loss of life of her unborn child. There is a fundamental difference between an elective abortion and the care provided after a miscarriage or for ectopic pregnancies. Women can always receive life-saving treatment, including in Catholic hospitals. No law restricts this care in Ohio or any other state in the country.

How is the Church helping pregnant women in need?

For decades, numerous Catholic social service agencies, in collaboration with faith-based and secular organizations, have assisted pregnant women in need with material resources and personal accompaniment during pregnancy and after their child is born. Project Rachel helps those struggling post-abortion. Every woman should be able to depend upon a community for support and the Catholic Church remains committed to woman in need.

What is the Church doing to protect life and defeat Issue 1?

Each diocese in Ohio is working together, through the Catholic Conference of Ohio, to help Catholics understand the dangers of Issue 1 to women, parents, and life. We are also part of the Protect Women Ohio coalition to let all voters know Issue 1 is harmful for Ohioans.

What can I do to help defeat Issue 1?

1. PRAY & Fast
2. EDUCATE Yourself and TELL OTHERS about the dangers of Issue 1
3. Register & VOTE NO on Issue 1

1 Thessalonians 2:13

Notes from Emmanuel's Choir Loft

From Music Director Michelle Carner

Starting in the year 1708, J.S. Bach composed what would become the most famous collection of chorale preludes of all time. His Orgelbuchlein ("Little Organ Book") is a set of forty-six such works based on texts from the entire liturgical year. Bach originally planned to write 164 preludes for this book; why he did not complete it is a musical unsolved mystery. Today's postlude, "Vater unser im Himmelreich," comes from a hymn setting of the Our Father.

The Chosen

@Holy Trinity, Tuesday Evenings Through December 19

Jesus chose disciples and apostles from the ordinary people of his day to become extraordinary witnesses to the Gospel. Would you like to know more about them and their experiences with our Lord? The Chosen is a fictional portrayal of these people based on what we know about them from the scriptures. The series can be viewed on Youtube, DVD or through the App. We will be viewing season 3 together on 8 Tuesday nights from 6:30-8:00 pm beginning October 31 through December 19, 2023, in the Holy Trinity office space next to the church. Each session will begin with a brief introduction and conclude with a discussion of the night's episode. Please join us as we explore through fiction what the first disciples may have experienced through our Lord's life, teaching and miracles. For more information, please contact Lynda Middleton, lyndamiddleton9@gmail.com at Holy Trinity.

Coffee & Donuts

@St. Joseph, Sunday, November 12

After 10:00 am Mass

Join us for Coffee and Donuts on Sunday, November 12, in the Parish Life Center after the 10:00am Mass. Do you have a favorite dish to share? Or a secret recipe to add to the delicious spread? Items can be dropped off, before Mass, starting at 9:30am.

Church Cleaners Needed

@St. Joseph

We need volunteers to help vacuum the church on a weekly basis. Volunteer time is very flexible. If you are interested in joining the team, please contact Chris in the parish office.

After Mass Collections

@ St. Joseph

Thank you for your generosity during the after-Mass charity collections. These funds directly support our neighbors facing housing insecurity, assisting them with rent, utilities, and basic needs in order to combat homelessness. All recipients are vetted through the Catholic Social Services Neighbor-to-Neighbor program. Counselors work with the clients in setting up personal budgets and also provide on-going mentoring services.

May God bless you for your continued generosity.

Gifts of Stock or Mutual Funds

Would you consider making gifts of stock or mutual fund shares? Donating shares of stock or mutual funds that have increased in value may benefit both our parish and provide personal financial benefits. Depending on your age, it may be beneficial for you to contribute assets directly from a retirement savings plan. For more details, please contact your Financial Advisor.
